Resolution submitted by Clayton Christiansen on White Clay

WHEREAS Whiteclay, an unincorporated village in northwestern Nebraska with fewer than a dozen residents, lies on the border of the Pine Ridge; and

WHEREAS Whiteclay lies on a 50-square-mile parcel of land in Nebraska known as the Whiteclay Extension (and today commonly referred to as the Buffer Zone), which was incorporated into the Pine Ridge Indian Reservation in 1889 by an act of Congress of the United States to rid the area of whiskey ranches which preyed upon the Oglalas living at the Pine Ridge Agency; and

WHEREAS the majority (49 square miles) of the Whiteclay Extension, including that part which now contains the village of Whiteclay, was removed from the Pine Ridge in 1904 by executive order of President Theodore Roosevelt in illegal contravention of acts of Congress: and

WHEREAS the removal of the Whiteclay Extension from the Pine Ridge resulted in the return of whiskey peddlers to the area now known as Whiteclay Nebraska; and

WHEREAS Whiteclay is today the site of four liquor stores licensed by the State of Nebraska that sell over four million cans of beer a year almost exclusively to residents of the Pine Ridge; and

WHEREAS Whiteclay has no local law enforcement and has experienced rampant lawlessness and illegal activities, including unsolved murders; and

WHEREAS an estimated one in four children on the Pine Ridge Indian reservation suffer from the effects of fetal alcohol syndrome disorder (FASD); and

WHEREAS the Oglala Sioux Tribal Council had declared Whiteclay a public nuisance and had repeatedly asked the State of Nebraska to stop the sale of alcohol in Whiteclay; and

WHEREAS Nebraska governors, attorneys general and the Liquor Control Commission have failed to act in the matter to stop the sale of alcohol in Whiteclay; and

WHEREAS the Oglala Sioux Tribal Council passed a resolution in April 2017 asking the Nebraska Liquor Control Commission to deny liquor licenses at Whiteclay; and

WHEREAS the Nebraska Liquor Control Commission denied the renewal of said licenses effective April 30, 2017; and

WHEREAS the denial renders moot the matter of alcohol sales at Whiteclay but does not address the illegal taking of Oglala Sioux Tribal lands known as the Whiteclay Extension; and

Therefore, Be It Resolved that the Nebraska Democratic Party reaffirms its oft-stated opposition to the sale of alcohol at Whiteclay as long as the grass shall grow, the rivers flow and the Oglala Sioux Tribe remains sovereign nation; and

Be It Further Resolved the Nebraska Democratic Party calls upon our congressional delegation, our Unicameral, and the Oglala Sioux Tribe to engage and to request the President of the United States to issue an Executive Order countermanding the Executive Order issued by President Theodore Roosevelt in 1904 and returning the Whiteclay Extension to the Pine Ridge Indian Reservation.

New By-Law 5.5.3

Minutes. In addition to all other requirements, minutes of State Central Committee meetings shall include a list of those delegates and alternates attending and a list of those delegates absent with prior notice.

This change is recommended to bring the By-Laws into conformity with the vote of the sec membership at the meeting of March 18, 2017 regarding contents of sec minutes.

If the membership adopts these amendments, By-Law 5.5 will read, in its entirety, as follows:

The State Chair shall call at least four (4) regular meetings each year scheduled among the Congressional Districts on an equitable basis. The organizational meeting of a State Central Committee shall not be considered a meeting for purposes of this rule. The State Chair shall fix the time and place of all such meetings with the approval of the State Central Committee.

A special meeting of the State Central Committee may be called by the State Chair or upon petition of fifteen (15) State Central Committee members with at least three (3) members from each Congressional District represented on the petition. Said petition to hold a special meeting shall be delivered to the State Secretary and the State Chair. The State Chair shall fix the time and place of said special meeting within ten (10) days of receipt of the petition, and unless otherwise specified in the petition, the special meeting shall be held no more than thirty (30) days following receipt of the petition.

5.5.2. Quorum. Quorum for a State Central Committee meeting is forty percent (40%) of the total membership.

NOTICE OF PROPOSED BY-LAW AMENDMENT: Amendment of By-Law 5.10.1.1.

Please be advised that the Rules Committee is proposing, at the June 10, 2017 SCC meeting, to amend By-Law

5.10.1.1 as follows:

Amendment of By-Law 5.10.1.1.

Platform and Resolutions. The Platform and Resolutions Committee of the Nebraska Democratic Party shall develop the Party's platform and resolutions in a timely, orderly, and open process, for presentation and action at each State Convention. The Committee is also responsible for a timely, orderly, and open process for presenting resolutions offered for action at meetings of the State Central Committee.

New Bylaw 5.10.1.1.4

Resolutions. At each State Central Committee meeting, the Platform and Resolutions Committee shall submit a report of those resolutions timely submitted to the committee for consideration by the State Central Committee. for consideration at the next biennial State Convention, and a list of those not recommended by the committee.

A two-thirds (2/3) vote of the State Central Committee shall be required for consideration of a resolution not submitted to the Platform and Resolutions Committee at least ten days prior to the State Central Committee meeting. If a two-thirds (2/3) vote is not given, the State Chair shall refer the matter to the committee for report and action at the next regular meeting of the State Central Committee or the next biennial State Convention, whichever comes first.

Renumber the remaining sections of Bylaw 5.10.1.1

This change is recommended to clarify that, as a Standing Committee, the Platform and Resolutions Committee has the authority to act on proposed resolutions between State Conventions, and to create a permanent procedure to so act.

If the membership adopts these amendments, By-Law 5.10.1.1 will read, in its entirety, as follows:

5.10.1.1 Platform and Resolutions. The Platform and Resolutions Committee of the Nebraska Democratic Party shall develop the Party's platform and resolutions in a timely, orderly and open process, for presentation and action at each State Convention. 5.10.1.1.1 Composition. Each Congressional District Caucus shall elect four men and four women to serve on the Platform and Resolutions Committee. Committee members, including the Committee Chair, are not automatic Convention delegates, but are encouraged to seek such election.

5.10.1.1.2 Hearings. The committee shall conduct at least one platform hearing in each of the State's Congressional Districts during the general election year and county chairs shall be informed of such hearings. A final platform hearing shall be conducted in conjunction with the State Convention.

5.10.1.1.3 Platform Report. The committee shall submit a preliminary platform (exclusive of changes proposed following the convention hearing conducted pursuant to Rule 5.10.1.1.2), including minority reports, in writing to the State Chair not later than three days following the last County Convention in the year of the biennial State Convention. The Committee's Final Report to the convention delegates at the State Convention shall include the proposed Platform and resolutions recommended for adoption, those forwarded without recommendation and a list of those rejected by the committee. A two-thirds (2/3) vote of the Convention Body shall be required for consideration of a resolution not previously submitted to the Committee. If a two-thirds (2/3) vote is not given, the presiding officer may refer the matter to the Committee for report and action at the next regular meeting of the State Central Committee. -

5.10.1.1.4 Resolutions. At each State Central Committee meeting, the Platform and Resolutions Committee shall submit a report of those resolutions timely submitted to the committee for consideration by the State Central Committee. The committee's report to the State Central Committee shall include the proposed resolutions recommended for adoption, those forwarded without recommendation, those recommended for consideration at the next biennial State Convention, and a list of those not recommended by the committee.

A two-thirds (2/3) vote of the State Central Committee shall be required for consideration of a resolution not submitted to the Platform and Resolutions Committee at least ten days prior to the State Central Committee meeting. If a two-thirds (2/3) vote is not given, the State Chair shall refer the matter to the committee for report and action at the next regular meeting of the State Central Committee or the next biennial State Convention, whichever comes first.

5.10.1.1.5 Petition. Platform items or resolutions rejected by the Committee may be considered by the Convention body provided that a written petition, containing the substitute language, signed by at least 20 percent of the Convention delegates present when quorum was established, is distributed to the Convention prior to debate on the platform. A petition must contain signatures from each Congressional District with no Congressional District represented by more than 50 percent of said signatures.
