

Resolution brought by the Red Willow County Democrats  
Approved June 19, 2016 NDP Convention

Whereas, the Red Willow County Democratic party favors making healthcare available to as many Nebraskans as possible; and

Whereas, the Federal Government has made available funding for Nebraska, and other states to expand Medicaid coverage to individuals who do not qualify for Medicaid, Medicare, or able to afford individual coverage without assistance; and

Whereas, 32 states have expanded Medicaid coverage using Nebraska's federal tax dollars to cover their expansion of Medicaid services to their population: and

Whereas, Rural Nebraska hospitals will suffer financial hardships and face closing their doors.

Therefore be it resolved that the Nebraska legislature and Governor pass a Medicaid expansion program to benefit Nebraskans who don't have health insurance, medicare or Medicaid and to benefit Nebraska Hospitals.
