Medicare Pricing Resolution

RESOLUTION:

Whereas seniors must make decisions about Medicare plans during the annual open enrollment period;

Whereas some companies do not announce their rates for the following year until after the end of the open enrollment period;

Be it resolved that insurance companies serving Nebraska's residents be required to announce the prices for Medicare supplements / plans for the following year prior to the open enrollment period;

Be it further resolved that all price changes for Medicare supplements / plans begin on January 1.

Be it resolved that this resolution be submitted to the Nebraska Department of Insurance.
