

Non-prayer Resolution

**Submitted by Joseph Couch and Rachele Walter
December 28, 2020**

Whereas 1 in 3 Democrats and 1 in 4 Nebraskans are nonreligious.

Whereas prayer not only excludes the nonreligious, but also religious minorities.

Whereas prayer can trigger trauma in those afflicted by Religious Trauma Syndrome.

Whereas the Nebraska Democratic Party Platform and Democratic National Convention support maintaining absolute separation of religion and government.

Therefore, be it resolved that the Nebraska Democratic Party will no longer engage in prayer during its regular business meetings.
