Ben Nelson and His New Book
“Death of the Senate”

Nebraska’s Ben Nelson, a former governor, served for two terms in the U.S. Senate as a democrat and a centrist who saw bipartisanship as a way to get things done. In his new book, *Death of the Senate*, Nelson is brutally honest in explaining how we lost it and with humor, insight, and firsthand details explains what needs to be done to get it back. The Senate today, he says, is one of division and rancor.

Ben Nelson will talk about the death of the Senate and answer your questions at an Omaha Press Club noon forum that will also include a book signing for those who are interested.
